## USB 2.0 Hub

Part No. *D3HUB20-4*

Be on the cutting edge and stand out from the rest. Our highly portable, stylish, and lightweight Hi-Speed USB 2.0 Hub offers four USB ports that offer Plug-and-Play connectivity to your USB 1.1 (low- and full-speed) and USB 2.0 (hi-speed) peripherals.

The USB 2.0 Hub can be customized with any corporate logo. Why spend money on a magazine advertisement that is only seen for seconds when you can give a product that is in your customers' hands and used each and everyday? Brand and distribute these hubs with your logo, and not only will it make an impact on your customer, it will provide brand visibility with every use. Let us help you get on the road to success today. Contact us for more details.
